

Hawaii Keiki School Nurses Are Ready to Take Your Call

Want to talk to a nurse? Don't have a doctor?

HIDOE parents, guardians and students can call the quick and confidential health hotline:

- Health concerns about your child?
- Questions about a check-up or shots?
- Questions about COVID-19 and your child?

Hawaii Keiki can provide telehealth (aka video visit) – appointments from anywhere.

NO COST

Virtual Keiki Care

Hawai'i Keiki: Healthy and Ready to Learn

Offering Students **FREE Virtual Visits with a Nurse Practitioner!**

What Is Virtual Keiki Care?

Virtual Keiki Care uses high quality video technology to connect a Hawai'i Keiki RN to a Hawai'i Keiki Nurse Practitioner (APRN). The Nurse Practitioner will conduct a virtual examination to provide a diagnosis and plan of care for the student, including providing prescriptions if deemed appropriate.

How Does Virtual Keiki Care Work?

Hawai'i Keiki RN contacts parent/guardian for consent. RN uses telehealth video equipment to connect with a Hawai'i Keiki Nurse Practitioner.

Step 1

RN initiates a virtual exam with the Nurse Practitioner using a handheld camera, iPad and other equipment

Step 2

Nurse Practitioner completes a virtual physical assessment with the student

Step 3

Nurse Practitioner makes a diagnosis and develops a plan of care. Nurse Practitioner can provide a prescription or order necessary laboratory tests
